Webinar on Financial literacy and Stock Market, Career Growth and Learn To Earn.

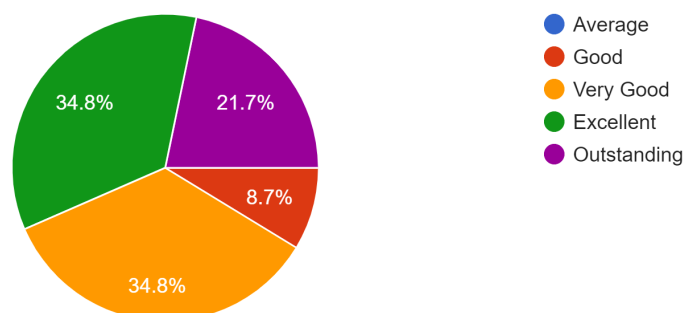

Wealth creation is crucial for every individual to achieve financial security in life. Passive income can be generated in addition to income from regular occupation through investments in right avenues that beat inflation. Managing the personal finances by oneself has become the need of the hour. Financial literacy and ability to evaluate the performance of the investments is essential to grow one's wealth. Considering this, the Institute organised a webinar on “Financial literacy and Stock Market, Career Growth and Learn To Earn.” in association with Trade School (Eton Advisors Pvt. Ltd., Mumbai) on July 28, 2021 (Wednesday).

The objective of the webinar was to give an insight to the participants about Financial Literacy, instruments of investments in Stock Market; Risk - Return trade off in stock market, opportunities for global investments through stock market, Career Opportunities in stock market.

The expert speaker, Mr. Prahlad Tripathi, CEO of Trade School, through his deliberation discussed the power of compounding, risk-return trade off and stock market as an investment option with higher returns. Further he elaborated on investment opportunities in global financial markets, commodity and currency markets. He demonstrated the trading on BOLT with few basic technical analysis tools for investment decision making.
