Date: Saturday 22nd February 2025

Workshop on "AI and Modern Business World"

Institute's 'Board of Students' Development' cell organized a workshop focused on the theme of **"AI and Modern Business World"** on Saturday, 22nd February 2025. The workshop aimed to provide insights into the evolving landscape of Artificial Intelligence and its impact on corporate environment - its working, job market and required employment skills. This workshop was organised in association with **Board of Students' Development, SPPU, Pune**. The workshop started with Lightening of the lamp and Saraswati poojan at the hands of Chief Guest and other dignitaries. The Chief Guest Prof. (Dr.) Devidas Golhar, Director, Innovation, Incubation and Linkages, SPPU and Key Note Speaker, Shri. Sagar Bhosale, Country Head (Sales), Omron Automation Pvt. Ltd were welcomed by the student anchors, Poonam Kasabe and Srinitya Ganesh and felicitated at the hands of Hon. Chairman, Shri. Walchand Sancheti. Director, Dr. Bharat Kasar felicitated session chair, Hon'ble Shri. Walchand Sancheti with memento and token of gratitude. Dr. Bharat Kasar also felicitated Principals, Directors and Heads of various institutes and colleges. In his opening remarks, Dr. Bharat Kasar highlighted the importance of welcoming the challenges and opportunities presented by Artificial Intelligence in corporate world and new way of doing business.

Session Chairman, Hon'ble Shri. Walchand Sancheti in his address congratulated institute and BSD Cell for arranging workshop on such important topic relevant in the current era. He also wish best luck to all student participants for being benefitted from this workshop and future endeavours.

Keynote speaker, Shri. Sagar Bhosale, who is an expert in Automation and Artificial intelligence, delivered a comprehensive deliberation on various aspects of Artificial Intelligence, its evolution, its role in improving business efficiencies and application of AI in the modern business world.

Chief Guest, Prof. (Dr.) Devidas Golhar, focused on importance of continuous innovation, and importance of learning new skills of AI for future employability.

During the technical session, a panel discussion was moderated by Director, Dr. Bharat Kasar. Distinguished panel comprised of Dr. Sachin Borgave, Director, Pratibha Institute of Business Management, Dr. Amol Charegaonkar, (Subject Matter Expert), Ellicium Solution Inc., Mr. Deepak Tandale, Head (Delivery and Practices), Nice Software Solutions, Mr. Niket Karajagi,
